

# Over – Platon & Joolay

Find a way to perfect start  
Kinda lover-lover  
Gonna tear myself apart  
Undercover-cover  
Try to make me feel again  
Like you never did before  
Or just burn me like a flame, oh-oh  
Not gonna give you up  
Not gonna let you down  
Gonna ask for more  
Take me off the ground, oh  
Not gonna give you up  
Not gonna let you down  
Gonna ask for more  
Take me off the ground, oh  
Not gonna give you up  
Not gonna let you down  
Gonna ask for more  
Take me off the ground, oh  
Not gonna give you up  
Not gonna give you up  
It's enough, the final game  
When we kiss I can't stay sober  
Maybe we can fight again  
Just don't tell me it's all over  
Over, over  
Over, over  
Over, over  
Over, over  
It feels better in the dark  
And it's glowing, glowing  
You're the one who've touched my heart  
You're mind blowing, loving  
We can never be the same  
Like we used to be before  
All there's left is to inflame, oh-oh

Are you gonna give me up?  
Are you gonna let me down?  
Will you ask for more?  
Taking off the ground, oh  
Are you gonna give me up?  
Are you gonna let me down?  
Will you ask for more?  
Taking off the ground, oh  
Are you gonna give me up?  
Are you gonna let me down?  
Will you ask for more?  
Taking off the ground, oh  
Are you gonna give me up?  
Are you gonna give me up?  
It's enough, the final game  
When we kiss I can't stay sober  
Maybe we can fight again  
Just don't tell me it's all over  
It's enough, the final game  
When we kiss I can't stay sober  
Maybe we can fight again  
Just don't tell me it's all over  
Over, over  
Over, over  
Over, over  
Over, over  
Over, over  
Over, over  
Over, over  
Over, over  
Over, over
