Every rose has its thorn - Poison

We both lie silently still

In the dead of the night

Although we both lie close together

We feel miles apart inside

Was it something I said or something I did

Did my words not come out right

Though I tried not to hurt you

Though I tried

But I guess thats why they say

Every rose has its thorn

Just like every night has its dawn

Just like every cowboy sings his sad,

Sad song

Every rose has its thorn

Yeah it does

I listen to our favorite song

Playing on the radio

Hear the dj say loves a game of easy come and

Easy go

But I wonder does he know

Has he ever felt like this

And I know that youd be here right now

If I could have let you know somehow

I guess

Every rose has its thorn

Just like every night has its dawn

Just like every cowboy sings his sad,

Sad song

Every rose has its thorn

Though its been a while now

I can still feel so much pain

Like a knife that cuts you the wound heals

But the scar, that scar remains

I know I could have saved a love that night

If Id known what to say

Instead of makin love

We both made our separate ways
But now I hear you found somebody new
And that I never meant that much to you
To hear that tears me up inside
And to see you cuts me like a knife
I guess
Every rose has its thorn
Just like every night has its dawn
Just like every cowboy sings his sad,
Sad song
Every rose has its thorn
