

If Teardrops Were Pennies (duet z Rockm4n) – Porter Wagoner & Dolly Parton

(Ja)

An acre of diamonds I'd offer to you
A solid gold mansion, an airplane or two

(Ty)

This whole world would be yours to have and to hold
If teardrops were pennies and heartaches were gold

(Razem)

If teardrops were pennies and heartaches were gold
I'd have all the riches my pockets would hold
I'd be oh so wealthy with treasures untold
If teardrops were pennies and heartaches were gold

(Ja)

The tears that have fallen won't buy you a thing
The heartaches you've caused me won't pay for a ring
(Ty) The love that I wanted would not have grown cold
If teardrops were pennies and heartaches were gold

(Razem)

If teardrops were pennies and heartaches were gold
I'd have all the riches my pockets would hold
I'd be oh so wealthy with treasures untold
If teardrops were pennies and heartaches were gold

(Ja) But teardrops aren't pennies

(Ty) And heartaches aren't gold
