

# Umbrella – Postmodern Jukebox

You have my heart  
And we'll never be worlds apart  
Maybe in magazines  
But you'll still be my star  
Baby, 'cause in the dark  
You can't see my shiny car  
And that's when you need me there  
With you I'll always share  
Because  
When the sun shines, we'll shine together  
You know I'll be here forever  
Said I'll always be a friend  
Took an oath I'm sticking out 'til the end  
Now that it's raining more than ever  
Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella  
These fancy things, will never come in between  
You're part of my entity, here for infinity  
When the war has took its part  
When the world has dealt its cards  
If the hand is at its hard,  
Together we'll mend your heart  
Because  
When the sun shines, we'll shine together  
You know I'll be here forever  
Said I'll always be a friend  
Took an oath and I'm sticking out 'til the end  
Now that it's raining more than ever  
Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella  
Oh  
Under my umbrella  
You can run into my arms  
It's okay, don't be alarmed

Come here to me  
There's no distance in between our love  
So go on and let the rain pour  
I'll be all you need and more!!  
Because  
When the sun shines, we'll shine together  
Told you I'll always be here forever  
Said I'll always be a friend  
Took an oath and I'm sticking out 'til the end  
Now that it's raining more than ever  
Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella  
Umbrella!
