

Polska Gurom – Przemek Kucyk

The heart of Europe
Is a pretty country
And better sit down
And listen to me
We have the mountains
And access to the sea
We got our language,
So don't say "us", oui oui"
We drink only milk,
I'm joking, only beer
Every day making party,
Like new day is new year
You know Chopin,
Lewandowski, oh man
For us they're superheroes,
So listen up again
Polska gurom
Zaśpiewam starym rurom
Zaśpiewam to co chcę
I tak nikt nie rozumie mnie
Po-Po-Po, Po-Po-Poland,
We shake not only hands
Po-Po-Po, Po-Po-Poland,
We shake not only hands
Po-Po-Po, Po-Po-Poland,
We shake not only hands
Let's everybody stand,
And sing with me: "Poland!"
We are Polish people,
We never do smile
Come to Polish village
And say: "You're right"
We know we are pretty,
Please stop crush on us
We will break your heart,
As easy as the glass

In our Warsaw city,
We live as the kings
We can reach the moon
And don't need any wings
Don't play with us,
We are strong, smart, and wild
Poland is the best,
It knows every child
Polska gurom
Zaśpiewam starym rurom
Zaśpiewam to co chcę
I tak nikt nie rozumie mnie
Po-Po-Po, Po-Po-Poland,
We shake not only hands
Po-Po-Po, Po-Po-Poland,
We shake not only hands
Po-Po-Po, Po-Po-Poland,
We shake not only hands
Let's everybody stand,
And sing with me: "Poland!"
Po-Po-Po, Po-Po-Poland
Let's everybody stand,
And sing with me: "Poland!"
Po-Po-Po, Po-Po-Poland,
We shake not only hands
Po-Po-Po, Po-Po-Poland,
We shake not only hands
Po-Po-Po, Po-Po-Poland,
We shake not only hands
Let's everybody stand,
And sing with me: "Poland!"
