Mississippi – Pussycat

Where you can hear a country song from far And someone play the honky tonk guitar Where all the lights will go out one by one The people join the sun And the wind takes it away Where the Mississippi rolls down to the sea And lovers found the place they like to be How many times before this song was ending Love and understanding everywhere around Mississippi,I'll remember you Whenever I should go away I'll be longing for the day That I will be in Greenville again Mississippi, you'll be on my mind Everytime I hear this song Mississippi roll along until the end of time Now the country song forever lost it's soul When the guitar player turned to rock'n'roll And everytime when summernights are falling I always will be calling, dreams of yesterday Mississippi,I'll remember you Whenever I should go away I'll be longing for the day That I will be in Greenville again Mississippi, you'll be on my mind Everytime I hear this song Mississippi roll along, until the end of time Everytime my hear this song Mississippi roll along, until the end of time
