

Corinne Bailey Rae – Put your records on

Three little birds sat on my window
And they told me I don't need to worry
Summer came like cinnamon, so sweet
Little girls, double-dutch on the concrete
Maybe sometimes we got it wrong,
But it's all right
The more things seems to change,
The more they stay the same
Ooh, don't you hesitate
Girl, put your records on,
Tell me your favorite song
You go ahead, let your hair down
Sapphire and faded jeans
I hope you get your dreams
Just go ahead, let your hair down
You're gonna find yourself somewhere, somehow
Blue as the sky, sunburnt and lonely
Sipping tea in a bar by the road side
(Just relax, just relax)
Don't you let those other boys fool you
Gotta love that Afro hairdo
Maybe sometimes we feel afraid,
but it's all right
The more you stay the same,
The more they seem to change
Don't you think it's strange?
Girl, put your records on,
Tell me your favorite song
You go ahead, let your hair down
Sapphire and faded jeans
I hope you get your dreams
Just go ahead, let your hair down
You're gonna find yourself somewhere, somehow
Just more than I could take
Pity for pity's sake
Some nights kept me awake

I thought that I was stronger
When you gonna realize
That you don't even have to try any longer?
Do what you want to
Girl, put your records on,
Tell me your favorite song
You go ahead, let your hair down
Sapphire and faded jeans
I hope you get your dreams
Just go ahead, let your hair down
Girl, put your records on,
Tell me your favorite song
You go ahead, let your hair down
Sapphire and faded jeans
I hope you get your dreams
Just go ahead, let your hair down
Ooh, you're gonna find yourself somewhere,
Somehow
