## A Kind of Magic - Queen

It's a kind of magic

It's a kind of magic

A kind of magic (No way)

One dream, one soul

One prize, one goal

One golden glance of what should be

It's a kind of magic

One shaft of light that shows the way

No mortal man can win this day

It's a kind of magic

The bell that rings inside your mind

Is challenging the doors of time

It's a kind of magic

The waiting seems eternity

The day will dawn of sanity (Ooh ooh ooh)

Is this a kind of magic?

It's a kind of magic

There can be only one

This rage that lasts a thousand years

Will soon be done

This flame that burns inside of me

I'm hearing secret harmonies

It's a kind of magic

The bell that rings inside your mind

Is challenging the doors of time

It's a kind of magic

It's a kind of magic

This rage that lasts a thousand years

Will soon be, will soon be done

This is (this is) a kind (a kind)

Of magic (yeah)

There can be only one (one, one, one)

This rage that lasts a thousand years

Will soon be done (done)

Magic (it's a kind of magic)

It's a kind of magic

Magic magic magic (magic) (Magic) Aa ha ha haa, it's magic (Magic) It's a kind of magic
