Bohemian Rhapsody (Instrumental) – Queen

Is this the real life? Is this just fantasy? Caught in a landslide, no escape from reality Open your eyes, look up to the skies and see I'm just a poor boy, I need no sympathy, Because I'm easy come, easy go, little high, little low Anyway the wind blows Doesn't really matter to me, to me

Mama just killed a man Put a gun against his head Pulled my trigger, now he's dead Mama, life had just begun But now I've gone and thrown it all away Mama, ooh, didn't mean to make you cry, If I'm not back again this time tomorrow, Carry on, carry on, as if nothing really matters

Too late, my time has come Sends shivers down my spine Body's aching all the time Good bye, everybody, I've got to go Gotta leave you all behind and face the truth

Mama, ooh (anyway the winds blow), I don't wanna die I sometimes wish I'd never been born at all

I see a little silhouette of a man, Scaramouche, scaramouche, will you do the Fandango Thunderbolt and Lightning, very very fright'ning me

(Galileo) Galileo (Galileo) Galileo Galileo figaro, magnifico

I'm just a poor boy and nobody loves me

He's just a poor boy from a poor family, Spare him his life from this monstrosity

Easy come, easy go, will you let me go? Bis-mil-lah ! No, we will not let you go (Let him go) Bis-mil-lah ! We will not let you go (Let him go) Bis-mil-lah ! We will not let you go (Let me go) We'll not let you go (Let me go) We'll not let you go (Let me go)

Ah

No, no, no, no, no, no (Oh mamma mia, mamma mia) Mamma mia, let me go Beelzebub has a devil put aside for me, for me, for me

So you think you can stone me and spit in my eye, So you think you can love me and leave me to die Oh, baby, can't do this to me, baby, Just gotta get out, just gotta get right outta here

Nothing really matters, anyone can see, Nothing really matters, Nothing really matters to me Anyway the wind blows
