

I Want to Break Free – Queen

I want to break free
I want to break free
I want to break free from your lies
You are so self satisfied I don't need you
I have got to break free
God knows
God knows I want to break free

I've fallen in love
I've fallen in love for the first time
And this time I know it's for real
I've fallen in love, yeah
God knows
God knows I've fallen in love

It is strange but it is true
Hey! I can't get over the way you love me like you do
But I have to be sure
When I walk out that door
Oh how I want to be free, baby
Oh how I want to be free
Oh how I want to break free

But life still goes on
I can't get used to, living without, living without
Living without you
By my side
I don't want to live alone, hey!
God knows
Got to make it on my own
So baby can't you see?
I have got to break free

I have got to break free
I want to break free
I want, I want, I want, I want to break free
