

It's A Hard Life – Queen

I don't want my freedom
There's no reason for living
With a broken heart
This is a tricky situation
I've only got myself to blame
It's just a simple fact of life
It can happen to any one
You win - you lose
It's a chance you have to take with love
Oh yeah - I fell in love
But now you say it's over and
I'm falling apart
Yeah yeah
It's a hard life
To be true lovers together
To love and live forever
In each others hearts
It's a long hard fight
To learn to care for each other
To trust in one another right from the start
When you're in love
I try and mend the broken pieces
Ooh, I try to fight back the tears
Ooh, they say it's just a state of mind
But it happens to everyone
How it hurts (yeah) - deep inside (oh yeah)
When your love has cut you down to size
This life is tough - on your own
Now I'm waiting for something to fall
From the skies
I'm waiting for love
Yes it's a hard life
Two lovers together
To love and live forever
In each others hearts
It's a long hard fight

To learn to care for each other
To trust in one another right from the start
When you're in love
Yes it's a hard life
In a world that's filled with sorrow
There are people searching for love
In every way
It's a long hard fight
But I'll always live for tomorrow
I'll look back at myself and say
I did it for love (ooh)
Yes I did it for love - for love -
Oh I did it for love
