

I know where I've been – Queen Latifah

There's a light in the darkness
Though the night black as my skin
There's a light burning bright
Showing me the way
But I know where I've been
There's a cry in distance
It's a voice that comes from deep within
There's a cry asking why
I pray the answer's up ahead
'Cause I know where I've been
There's a road
We've been travellin'
Lost so many on the way
But the riches will be plenty
With the price, the price we had to pay
There's a dream in the future
There's a struggle that we have yet to win
And there's pride in my heart
'Cause I know where I'm going, yes I do
And I know where I've been, yeah
There's a road that we must travel
There's a promise that we must make
Oh the riches will be plenty
Worth the risk and chances that we take
There's a dream in the future
there's a struggle, we have yet to win
Use that pride in our hearts
to lift us up to tomorrow
'Cause just to sit still would be a sin
I know it, I know it, I know where I'm going
Lord knows I know where I've been
Oh, when we win,
I'll give thanks to my God
'Cause I know where I've been
