No One But You (Only The Good Die Young) – Queen

A hand above the water

An angel reaching for the sky

Is it raining in heaven

Do you want us to cry?

And everywhere the broken-hearted

On every lonely avenue

No one could reach them

No one but you

One by one

Only the good die young

They're only flyin' too close to the sun

And life goes on

Without you

Another tricky situation

I get to drownin' in the blues

And I find myself thinkin'

Well, what would you do?

Yes, it was such an operation

Forever paying every due

Hell, you made a sensation (sensation)

You found a way through (found a way through)

One by one

Only the good die young

They're only flyin' too close to the sun

We'll remember

Forever

And now the party must be over

I guess we'll never understand

The sense of your leaving

Was it the way it was planned?

And so we grace another table

And raise our glasses one more time

There's a face at the window

And I ain't never, never sayin' goodbye

One by one

Only the good die young They're only flyin' too close to the sun Cryin' for nothing Cryin' for no one No one but you
