

# Too much love will kill you (original instrumental version) – Queen

I'm just the pieces of the man I used to be  
Too many bitter tears are raining down on me  
I'm far away from home  
And I've been facing this alone for much too long  
I feel like no one ever told the truth to me  
About growing up and what a struggle it would be  
In my tangled state of mind  
I've been looking back to find where I went wrong

Too much love will kill you If you can't make up your mind  
Torn between the lover and the love you leave behind  
You're headed for disaster 'cause you never read the signs  
Too much love will kill you - everytime

I'm just the shadow of the man I used to be  
And it seems like there's no way out of this for me  
I used to bring you sunshine  
Now all I ever do is bring you down  
How would it be if you were standing in my shoes  
Can't you see that it's impossible to choose  
No there's no making sense of it  
Every way I go I'm bound to lose

Too much love will kill you Just as sure as none at all  
It'll drain the power that's in you  
Make you plead and scream and crawl  
And the pain will make you crazy  
You're the victim of your crime  
Too much love will kill you - everytime

Yeah, too much love will kill you  
It'll make your life a lie  
Yes, too much love will kill you  
And you won't understand why  
You'd give your life you'd sell your soul

But here it comes again  
Too much love will kill you  
In the endIn the end
