

# Too Much Love Will Kill You – Queen

I'm just the pieces of the man I used to be  
Too many bitter tears are raining down on me  
I'm far away from home  
And I've been facing this alone  
For much too long  
Oh  
I feel like no one ever told the truth to me  
About growing up and what a struggle it would be  
In my tangled state of mind  
I've been looking back to find  
Where I went wrong

Too much love will kill you  
If you can't make up your mind  
Torn between a lover  
And the lover you leave behind  
You're headed for disaster  
Cause you never read the signs  
Too much love will kill you every time

I'm just the shadow of the man I used to be  
And it seems there's no way out this for me  
I used to bring you sunshine  
Now all I ever do is bring you down  
Ooh, how would it be if you were standing in my shoes  
Can't you see that it's impossible to choose  
No there's no making sense of it  
Every way I go I'm bound to lose  
Oh yes

Too much love will kill you  
Just as sure as none at all  
It'll drain the power that's in you  
Make you plead and scream and crawl  
And the pain will make you crazy  
You're the victim of your crime

Too much love will kill you every time

Too much love will kill you

It'll make your life a lie

Yes, too much love will kill you

And you won't understand why

You'd give your life, you'd sell your soul

But here it comes again

Too much love will kill you

In the end

In the end
