

Too Much Love Will Kill You – Queen

I'm just the pieces of the man I used to be
Too many bitter tears are raining down on me
I'm far away from home
And I've been facing this alone
For much too long
Oh
I feel like no one ever told the truth to me
About growing up and what a struggle it would be
In my tangled state of mind
I've been looking back to find
Where I went wrong

Too much love will kill you
If you can't make up your mind
Torn between a lover
And the lover you leave behind
You're headed for disaster
Cause you never read the signs
Too much love will kill you every time

I'm just the shadow of the man I used to be
And it seems there's no way out this for me
I used to bring you sunshine
Now all I ever do is bring you down
Ooh, how would it be if you were standing in my shoes
Can't you see that it's impossible to choose
No there's no making sense of it
Every way I go I'm bound to lose
Oh yes

Too much love will kill you
Just as sure as none at all
It'll drain the power that's in you
Make you plead and scream and crawl
And the pain will make you crazy
You're the victim of your crime

Too much love will kill you every time

Too much love will kill you

It'll make your life a lie

Yes, too much love will kill you

And you won't understand why

You'd give your life, you'd sell your soul

But here it comes again

Too much love will kill you

In the end

In the end
