

Who want's to live forever – Queen

There's no time for us
There's no place for us
What is this thing that builds our dreams
Yet slips away from us
Who wants to live forever
Who wants to live forever
Oh ooo oh
There's no chance for us
It's all decided for us
This world has only one
Sweet moment set aside for us
Who wants to live forever
Who wants to live forever
Ooh
Who dares to love forever
Oh oo woh,
When love must die
But touch my tears
With your lips
Touch my world
With your fingertips
And we can have forever
And we can love forever
Forever is our today
Who wants to live forever
Who wants to live forever
Forever is our today
Who waits forever anyway?
