Who want's to live forever - Queen

There's no time for us There's no place for us What is this thing that builds our dreams Yet slips away from us Who wants to live forever Who wants to live forever Oh ooo oh There's no chance for us It's all decided for us This world has only one Sweet moment set aside for us Who wants to live forever Who wants to live forever Ooh Who dares to love forever Oh oo woh, When love must die But touch my tears With your lips Touch my world With your fingertips And we can have forever And we can love forever Forever is our today Who wants to live forever Who wants to live forever Forever is our today
