

# I believe I can fly – R. Kelly

I used to think that I could not go on  
And life was nothing but an awful song  
But now I know the meaning of true love  
I'm leaning on the everlasting arms

If I can see it, then I can do it  
If I just believe it, there's nothing to it

I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away  
I believe I can soar  
I see me running through that open door  
I believe I can fly  
I believe I can fly  
I believe I can fly

See I was on the verge of breaking down  
Sometimes silence can seem so loud  
There are miracles in life I must achieve  
But first I know it starts inside of me, oh

If I can see it, then I can be it  
If I just believe it, there's nothing to it

I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away  
I believe I can soar  
I see me running through that open door  
I believe I can fly  
I believe I can fly  
I believe I can fly

Hey, cause I believe in me, oh

If I can see it, then I can do it  
If I just believe it, there's nothing to it

I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away  
I believe I can soar  
I see me running through that open door  
I believe I can fly  
I believe I can fly  
I believe I can fly

Hey, if I just spread my wings  
I can fly  
I can fly  
I can fly  
If I just spread my wings  
I can fly  
Fly-eye-eye
