## I believe I can fly - R. Kelly

I used to think that I could not go on And life was nothing but an awful song But now I know the meaning of true love I'm leaning on the everlasting arms

If I can see it, then I can do it If I just believe it, there's nothing to it

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly

See I was on the verge of breaking down Sometimes silence can seem so loud There are miracles in life I must achieve But first I know it starts inside of me, oh

If I can see it, then I can be it If I just believe it, there's nothing to it

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly

Hey, cause I believe in me, oh

If I can see it, then I can do it If I just believe it, there's nothing to it

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly

Hey, if I just spread my wings
I can fly
I can fly
I can fly
If I just spread my wings
I can fly
Fly-eye-eye
