

Motion Picture Soundtrack – Radiohead

Red wine and sleeping pills
Help me get back to your arms
Cheap sex and sad films
Help me get where I belong
I think you're crazy, maybe
I think you're crazy, maybe
Stop sending letters
Letters always get burned
It's not like the movies
They fed us on little white lies
I think you're crazy, maybe
I think you're crazy, maybe
I will see you in the next life
