

Where I end and you begin – Radiohead

There's a gap in between
There's a gap where we meet
Where I end and you begin
And I'm sorry for us
The dinosaurs roam the earth
The sky turns green
Where I end and you begin
(Four, Five, Six, Seven)
I am up in the clouds
I am up in the clouds
And I can't, and I can't come down
I can watch and not take part
Where I end and where you start
Where you, you left me alone
You left me alone
X will mark the place
Like the parting of the ways
Like a house falling in the sea
In the sea
I will eat you alive
I will eat you alive
I will eat you alive
I will eat you alive
And there'll be no more lies
There'll be no more lies
There'll be no more lies
There'll be no more lies
I will eat you alive
I will eat you alive
I will eat you alive
I will eat you alive
And there'll be no more lies
There'll be no more lies
There'll be no more lies
There'll be no more lies
I will eat you alive

I will eat you alive
I will eat you alive
I will eat you alive
And there'll be no more lies
There'll be no more lies
There'll be no more lies
There'll be no more lies
I will eat you alive
I will eat you alive
I will eat you alive
