Yeti - Radiorama

I love your world Where the winners might be sweet all around Tell me your life Tell me what you'll be afraid of this night If you wanna take a look around Please don't hit a man who understands As the story goes you are the one Run away in other place In the night you're looking for to meet And checking the man to get in fit Just the story goes you are the one Run away in other place Yeti, yeti, yeti, yeti Yeti, looking a horrid man Yeti, living in other land I want your soul And I really like to seem to your heart I feel with you and I know that you are living apart If you wanna take a look around Please don't hit a man who understands As the story goes you are the one Run away in other place In the night you're looking for to meet And checking the man to get in fit Just the story goes you are the one Run away in other place Yeti, yeti, yeti, yeti Yeti, looking a horrid man Yeti, living in other land
