

# All we got – Ray Dalton

On a zeppelin ride  
In a blood-red sky  
We been gettin' so high  
Oh, my gosh, oh, my gosh  
We been goin' for days  
In a champagne haze  
Give me one more taste  
Oh, my gosh, oh, my gosh  
It ain't the time to be alone  
So blow a kiss, don't let it go  
Love is all we got  
So, come on, fill your cup  
'Cause love is all we got  
It ain't fadin', fadin'  
Love is all we got  
Don't waste a single drop  
Yeah, love is all I got  
It ain't fadin', it ain't fadin' now  
It ain't fadin', fadin'  
It ain't fadin', fadin'  
We're floatin' on dreams  
We could dive so deep  
Keep runnin' with me  
Let's get lost, let's get lost  
It's a beautiful life  
In a sea of lights  
No space, no time  
Oh, my gosh, oh, my gosh  
It ain't the time to be alone  
So blow a kiss, don't let it go  
Love is all we got  
So, come on, fill your cup  
'Cause love is all we got  
It ain't fadin', fadin'  
Love is all we got (all we got)  
Don't waste a single drop

Yeah, love is all I got  
It ain't fadin', it ain't fadin' now  
(Fadin' now)  
It ain't fadin', fadin'  
It ain't fadin', fadin'  
Love is all we got  
Don't waste a single drop  
Yeah, love is all I got  
It ain't fadin', fadin' now
