

Please don't touch – Raye

One touch, I'm a victim
One look in your eyes, I'm in
One kiss, I'm addicted
One drink and it's sink or swim
I'm feeling vulnerable
What if I let go?
You make me want to, though
The thing about love
It ain't simple enough
The thing about trust
Is it takes two of us
So if I let you win it tonight
Hundred degrees, know you want to
But please don't touch me
If you don't mean it
The space between our skin
Saying more than enough
But once you've laid a finger
It can't be undone
So please don't touch me
If you don't mean it
Remember how it's been
Yeah, I've been through enough
But once you put your hands
It can't be undone
So please don't touch me
If you don't mean it
Touch me
If you don't mean it
Two nights in a row, now
I brought you back to mine
Three words, getting closer
Say enough, I'll lose my mind
I'm feeling vulnerable
What if I let go?
You make me want to, though

The thing about love
It ain't simple enough
The thing about trust
Is it takes two of us
So if I let you win it tonight
Hundred degrees, know you want to
But please don't touch me
If you don't mean it
The space between our skin
Saying more than enough
But once you've laid a finger
It can't be undone
So please don't touch me
If you don't mean it
Remember how it's been
Yeah, I've been through enough
But once you put your hands
It can't be undone
So please don't touch me
If you don't mean it
Touch me
If you don't mean it
Breaking me down, lowest of lows
I've been for a while,
Don't want to be calling you
3 AM, begging you, baby, to love me again
So please don't touch me
If you don't mean it
The space between our skin
Saying more than enough
But once you've laid a finger
It can't be undone
So please don't touch me
If you don't mean it
Remember how it's been
Yeah, I've been through enough
But once you put your hands
It can't be undone
So please don't touch me
If you don't mean it

Touch me
If you don't mean it
Touch me
If you don't mean it
Touch me
If you don't mean it
