Send Me an Angel - Real Life

Do you believe in heaven above Do you believe in love Don't tell a lie don't be false and untrue It all comes back to you Open fire! On my burning heart I've never been lucky in love My defences are down A kiss or a frown I can't survive on my own If a girl walks in and carves Her name in my heart I'll turn and run away Everyday we've all been led astray It's hard to be lucky in love It gets in your eyes It's making you cry Don't know what to do Don't know what to do You're looking for love Calling heaven above Send me an angel Send me an angel Right now, right now Send me an angel Send me an angel Right now, right now Empty dreams can only dissapoint In a room behind your smile But don't give up, Don't give up You can be lucky in love It gets in your eyes It's making you cry Don't know what to do

Don't know what to do

You're looking for love Calling heaven above Send me an angel Send me an angel Right now, right now Send me an angel Send me an angel Right now, right now Send me an angel Send me an angel Send me an angel Right now, right now Send me an angel Right now, right now Send me an angel Send me an angel Right now, right now
