

Californication – Red Hot Chili Peppers

Psychic spies from China
Try to steal your mind elation
Little girls from Sweden
Dream of silver screen quotations
And if you want these kind of dreams
It's Californication
It's the edge of the world
And all of western civilization
The sun may rise in the east
At least it settles in a final location
It's understood that Hollywood
Sells Californication
Pay your surgeon very well
To break the signs of aging
Celebrity skin is this your chin
Or is it war your waging
First born unicorn
Hard core, soft porn
Dream of Californication
Dream of Californication
Marry me girl be the fairy to my world
Be my very won constellation
A teenage bride with a baby inside
Getting high on information
And buy me a star on the boulevard
It's Californication
Space may be the final frontier
But it's made in
A Hollywood basement
And Cobain can you hear the spheres
Singing songs off station to station
And Alderon's not far away
It's Californization
U uuu
U uuu
Born and raised by those who praise

Control of population
Well, everybody's been there
And I don't mean on vacation
First born unicorn
Hard core, soft porn
Dream of Californication
Dream of Californication
Dream of Californication
Dream of Californication
Destruction leads to a very rough road
But it also breeds creation
And earthquakes are to a girl's guitar
They're just another good vibration
And tidal waves
Couldn't save the world
From Californication
U uuu
U uuu
Pay your surgeon very well
To break the spell of aging
Sicker than the rest, there is no test
But this is what you're craving
First born unicorn
Hard core, soft porn
Dream of Californication
Dream of Californication
Dream of Californication
Dream of Californication
