

# Dark Necessities – Red Hot Chili Peppers

Comin' on to the light of day, we got  
Many moons that are deep at play so I  
Keep an eye on the shadow smile  
To see what it has to say  
You and I both know, everything must go away  
Ah, what do you say?  
Spinnin' knot that is on my heart is like a  
Bit of light in a touch of dark, you got  
Sneak attack from the zodiac  
But I see your fire spark  
Eat the breeze and go,  
Blow by blow and go away  
Oh, what do you say? Yeah  
You don't know my mind,  
You don't know my kind  
Dark necessities are part of my design and  
Tell the world that I'm falling from the sky  
Dark necessities are part of my design  
Stumble down to the parking lot, you got  
No time for the afterthought, they're like  
Ice Cream for an Astronaut,  
Well, that's me looking for we  
Turn the corner and  
Find the world at your command  
Playin' the hand, yeah  
You don't know my mind,  
You don't know my kind  
Dark necessities are part of my design  
Tell the world that I'm falling from the sky  
Dark necessities are part of my design  
Do you want this love of mine?  
Darkness helps us all to shine  
Do you want it, do you want it now?  
Do you want it all the time?  
But darkness helps us all to shine  
Do you want it, do you want it now?

Ah, pick you up like a paperback with the  
Track record of a maniac so I  
Move it in and we unpack,  
It's the same as yesterday  
Any way we roll, everything must go away  
Oh, what do you say? Yeah  
You don't know my mind,  
You don't know my kind  
Dark necessities are part of my design  
Tell the world that I'm  
Falling from the sky and  
Dark necessities are part of my design
