

Otherside – Red Hot Chili Peppers

How long, how long will I slide?

Separate my side, I don't

I don't believe it's bad

Slit my throat it's all I ever

I heard your voice through a photograph

I thought it up and brought up the past

Once you know you can never go back

I gotta take it on the other side

Centuries are what it meant to me

A cemetery where I marry the sea

Stranger things could never change my mind

I gotta take it on the other side

Take it on the other side

Take it on, take it on

How long, how long will I slide?

Separate my side, I don't

I don't believe it's bad

Slit my throat it's all I ever

Pour my life into a paper cup

The ashtray's full and I'm spillin' my guts

She wants to know am I still a slut

I've got to take it on the other side

Scarlet starlet and she's in my bed

A candidate for a soul mate bled

Push the trigger and I pull the thread

I gotta take it on the other side

Take it on the other side

Take it on, take it on

How long, how long will I slide?

Separate my side, I don't

I don't believe it's bad
Slit my throat it's all I ever

Turn me on, take me for a hard ride
Burn me out, leave me on the other side
I yell and tell it that it's not my friend
I tear it down, I tear it down
And then it's born again

How long, how long will I slide?
Separate my side, I don't
I don't believe it's bad
Slit my throat it's all I ever

How long, I don't
I don't believe it's bad
Slit my throat it's all I ever
