

# Scar Tissue – Red Hot Chili Peppers

Scar tissue that I wish you saw  
Sarcastic mister know-it-all  
Close your eyes and I'll kiss you  
'Cause with the birds I'll share

With the birds, I'll share  
This lonely viewing  
With the birds, I'll share  
This lonely viewing

Ah, push me up against the wall  
Young Kentucky girl  
In a push-up bra  
Ah, fallin' all over myself  
To lick your heart  
And taste your health, 'cause

With the birds, I'll share  
This lonely viewing  
With the birds, I'll share  
This lonely viewing  
With the birds, I'll share  
This lonely view ...

Blood loss in a bathroom stall  
A southern girl  
With a scarlet drawl  
I wave good-bye to Ma and Pa  
'Cause with the birds I'll share

With the birds, I'll share  
This lonely viewing  
With the birds, I'll share  
This lonely viewing

Soft-spoken with a broken jaw

Step outside but not to brawl and  
Autumn's sweet, we call it fall  
I'll make it to the moon  
If I have to crawl and

With the birds, I'll share  
This lonely viewing  
With the birds, I'll share  
This lonely viewing  
With the birds, I'll share  
This lonely view ...

Scar tissue that I wish you saw  
Sarcastic mister know-it-all  
Close your eyes and I'll kiss you  
'Cause with the birds I'll share

With the birds, I'll share  
This lonely viewing  
With the birds, I'll share  
This lonely viewing  
With the birds, I'll share  
This lonely view ...
