

Universally Speaking – Red Hot Chili Peppers

I saw your face
Elegant and tired
Cut up from the chase
Still I so admired
Bloodshot your smile
Delicate and wild
Give me she wolf style
Rip right through me
Silveretta the jets of a lifetime
Go and get her I've got her on my mind
Nothing better, the feeling is so fine
Simply put I saw love stream flow
Come on baby 'cause, there's no name for
Give it up and I got what I came for
Universally speaking
I take it back and you make me nervous
Nothing better then love and service
Universally speaking
I win in the long run
I saw your crime
Dying to get high
Two of a kind
Beats all hands tonight
Silveretta the jets of a lifetime
Go and get her I've got her on my mind
All the better, to make it so fine
Simply put I saw love stream flow
Come on baby 'cause, there's no name for
Give it up and I got what I came for
Universally speaking
I take it back and you make me nervous
Nothing better then love and service
Universally speaking
I win in the long run
Silveretta the jets of a lifetime
Go and get her I've got her on my mind

Nothing better the feeling is so fine
Simply put I saw your love stream flow
Simply put I saw your love stream flow
