

Pieces – Red

I'm here again
A thousand miles away from you
A broken mess, just scattered pieces of who I am
I tried so hard
Thought I could do this on my own
I've lost so much along the way

Then I'll see your face
I know I'm finally yours
I find everything I thought I lost before
You call my name
I come to you in pieces
So you can make me whole

I've come undone
But you make sense of who I am
Like puzzle pieces in your eye

Then I'll see your face
I know I'm finally yours
I find everything I thought I lost before
You call my name
I come to you in pieces
So you can make me whole!

I tried so hard! So hard!
I tried so hard!

Then I'll see your face
I know I'm finally yours
I find everything I thought I lost before
You call my name
I come to you in pieces
So you can make me whole
So you can make me whole
