

Two Birds On A Wire – Regina Spektor

Two birds on a wire
One tries to fly
Away and the other
Watches him close
From that wire
He says he wants
To as well
But he is a liar
I'll believe
It all
There's nothing
I won't understand
I'll believe
It all
I won't let go of your hand
Two birds on a wire
One says, "C'mon"
And the
Other says, "I'm tired"
The sky is overcast
And I'm sorry
One more
Or one less
Nobody's worried
I'll believe
It all
There's nothing
I won't understand
I'll believe
It all
I won't let go of your hand
Two birds of a feather
Say that they're always
Gonna stay together
But one's never going
To let go of that wire

He says that he will
But he's just a liar
Two birds on a wire
One tries to fly away
And the other
Watches him close
From that wire
He says he wants to as well,
But he is a liar
