Two Birds On A Wire - Regina Spektor

Two birds on a wire

One tries to fly

Away and the other

Watches him close

From that wire

He says he wants

To as well

But he is a liar

I'll believe

It all

There's nothing

I won't understand

I'll believe

It all

I won't let go of your hand

Two birds on a wire

One says, "C'mon"

And the

Other says, "I'm tired"

The sky is overcast

And I'm sorry

One more

Or one less

Nobody's worried

I'll believe

It all

There's nothing

I won't understand

I'll believe

It all

I won't let go of your hand

Two birds of a feather

Say that they're always

Gonna stay together

But one's never going

To let go of that wire

He says that he will
But he's just a liar
Two birds on a wire
One tries to fly away
And the other
Watches him close
From that wire
He says he wants to as well,
But he is a liar

Pause (Lalala)

-

Two birds on a wire One tries to fly away And the other
