Losing My Religion - R.E.M.

Oooo life is bigger It's bigger than you And you are not me The lengths that I will go to The distance in your eyes Oh no I've said too much I set it up That's me in the corner That's me in the spotlight Losing my religion

Trying to keep up with you

And I don't know if I can do it

Oh no, I've said too much

I haven't said enough

I thought that I heard you laughing

I thought that I heard you sing

I think I thought I saw you try

Every whisper

Of every waking hour I'm

Choosing my confessions

Trying to keep an eye on you

Like a hurt lost and blinded fool, fool

Oh no I've said too much

I set it up

Consider this

Consider this

The hint of the century

Consider this

The slip

That brought me to my knees failed

What if all these fantasies

Come flailing around

Now I've said

Too much

I thought that I heard you laughing

I thought that I heard you sing

That was just a dream! That was just a dream! That's me in the corner That's me in the spotlight Losing my religion Trying to keep up with you And I don't know if I can do it Oh no, I've said too much I haven't said enough I thought that I heard you laughing I thought that I heard you sing I think I thought I saw you try But that was just a dream! Try, cry, why try? That was just a dream Just a dream, just a dream... Dream...

I think I thought I saw you try
