

Chalk Outlines – Ren x Chinchilla

I'm still here in this bed that I crawled in
I hope that I'm someone else in the morning
So take this one,
wash it down and you'll be fine
Then walk around in a floating chalk outline
But so it goes, let it be
In the gallows,
I balanced on my toes so I can breathe
But little by little, bit by bit
I push it back down with a new habit
If not for long, just for a while
I'll bury myself with a great big smile
Oh my my, oh my my
We trace ourselves in these chalk outlines
Oh my my, oh my my
Erase ourselves in these chalk outlines
Sertraline and a sip of serotonin
Don't cry
'cause there's a pill for everything
Take this one,
Wash it down and you'll be fine
The feeling goes and you draw a chalk outline
And so it goes, let it be
In the gallows,
I balanced on my toes so I can breathe
But little by little, bit by bit
I push it back down with a new habit
If not for long, just for a while
I'll bury myself with a great big smile
Oh my my, oh my my
We trace ourselves in these chalk outlines
Oh my my, oh my my
Erase ourselves
It's such a perfect day
Take it just in case, take it just in case
I'm scared of being okay

'Cause all things change, all things change
It's such a perfect day
It's a beautiful shame,
It's a beautiful shame
I'm scared of being okay
'Cause all things change
But little by little, bit by bit
I push it back down with a new habit
If not for long, just for a while
I'll bury myself with a great big smile
Oh my my, oh my my
We trace ourselves in these chalk outlines
Oh my my, oh my my
Erase ourselves in these chalk outlines
