

Posion Posion – Reneé Rapp

La-la-la-la, la-la-la-la, la
La-la-la-la, la-la-la-la, la
You get on my nerves
You're so fucking annoying,
You could poison poison
You're the worst person on earth
Forgiving you is pointless,
You could poison poison,
Baby girl
It didn't have to be like this
I didn't wanna have to use the knife
Behind your back to go
And flip the script (Ah-ah-ah)
You almost got away with it
You got a little bit ahead of me
But unlucky for you,
I am that bitch (Ah-ah-ah)
You get on my nerves
You're so fucking annoying,
You could poison poison
You're the worst person on earth
Forgiving you is pointless,
You could poison poison,
Baby girl
La-la-la-la, la-la-la-la, la-ah
La-la-la-la, la-la-la-la, la-la
You got another suit to lick
Anything it takes to run your mouth,
To bring me down to anybody listening
(You love that shit)
And yes, I am a feminist
But, bitch, you're makin' it so hard for me
To always be supportin' all women
(I hate that bitch)
You get on my nerves
You're so fucking annoying,

You could poison poison
You're the worst person on earth
Forgiving you is pointless,
You could poison poison,
Baby girl
La-la-la-la, la-la-la-la, la-ah
La-la-la-la, la-la-la-la, la-ah
La-la-la-la, la-la-la-la, la-ah
La-la-la-la, la-la-la-la, la-ah
This might be out of pocket
But I might just have to drop it
So go, run, check your inboxes
You incriminated our pulses
Mm, you get on my nerves
You're so fucking annoying,
You could poison poison
You're the worst person on earth
Forgiving you is pointless,
You could poison poison,
Baby girl
La-la-la-la, la-la-la-la
La-la-la-la, la-la-la-la
La-la-la-la, la-la-la-la
You could poison poison
You're the worst bitch on the earth
I hate you and your guts
I think you should shut the fuck up and die
You get on my nerves
Fuck you, you dumb bitch
Fuck you, fuck you, fuck you
Gorg?
