

# Snow Angel – Reneé Rapp

First to arrive, last to leave  
What's misery without company?  
It's hard to laugh when it's hard to breathe  
It's white outside, but red underneath  
Feel the tip of my nose  
It's burning, but it's ice cold  
I'll make it through the winter  
If it kills me  
I can make it faster if I hurry  
I'll angel in the snow until I'm worthy  
But if it kills me, I tried  
If it kills me  
Smiles hide what secrets keep  
Can't tell a lie if you never speak  
Look in the mirror, she looks like me  
But half-alive and twice as weak  
Feel the tip of my nose  
It's burning, but it's ice cold  
I'll make it through the winter  
If it kills me  
I can make it faster if I hurry  
I'll angel in the snow until I'm worthy  
But if it kills me I tried  
If it kills me  
I tried so hard, I came so far  
I met a boy, he broke my heart  
I blame him 'cause it's easier  
But I still look for him in her  
The seasons change, addiction's strange  
I loved back then what I hate today  
I wish I went a different way  
But if I went back, I would do the same  
I'll make it through the winter if it  
But why does it go slower when I  
I'll angel in the snow until I'm worthy

If it kills me, I tried

If it kills me, I
