

# Talk Too Much – Reneé Rapp

Mm-mm-hmm

Tasted the blood in my mouth  
And left you there to bleed out  
It didn't feel like a dream

(Mm)

Woke up and you looked so cute  
Don't think I could love you more  
So what the hell does it all mean?  
I'm takin' everything I see as a sign and  
I know it's crazy but what if it's right?  
I'm here again, talkin' myself out of  
My own happiness

I'll make it up 'til I quit

I wonder if

We should just sit here in silence

'Cause ooh-ooh, ooh-ooh

I think I talk too much

Ooh-ooh, ooh-ooh,

I think I talk too much

Ooh-ooh, ooh-ooh,

I think I talk too much

If I see a blue car today

We'll probably have to break up

So I close my eyes while I drive

(Mm)

And if it rains, then it rains

And we'll be over by May

That's just the deal that I made

(In my head)

I'm takin' everything I see as a sign and  
I know it's crazy but what if it's right?

I'm here again, talkin' myself out of

My own happiness

I'll make it up 'til I quit

I wonder if

We should just sit here in silence

'Cause ooh-ooh, ooh-ooh,  
I think I talk too much  
Ooh-ooh, ooh-ooh,  
I think I talk too much  
Ooh-ooh, ooh-ooh,  
I think I talk too much  
Ooh-ooh, ooh-ooh,  
I think I talk too much  
Ooh-ooh, ooh-ooh,  
I think I talk too much  
Okay, having said all that  
Do you still wanna be with me?  
'Cause like I, I wanna be with you  
Like, like maybe even forever  
Holy shit, okay, maybe not forever  
I mean like I'm, I'm not sayin' not, forever  
I, I actually have no idea what I'm sayin'  
Are you mad at me?  
'Cause it's cool if you are, right,  
Like I don't care  
But like, if, if you are  
Then I'm gonna resent you  
I, I'll forgive you  
But I was just wonderin' like,  
Okay, like is this a sign?  
Do I actually hate you?  
I just wanted to be honest, right  
Like, do you still love me?  
I'm here again, talkin' myself out of  
My own happiness  
I'll make it up 'til I quit  
I wonder if  
We should just sit here in silence  
'Cause ooh-ooh, ooh-ooh  
Ah, just shut the fuck up  
Ooh-ooh, ooh-ooh,  
I think I talk too much  
Ooh-ooh, ooh-ooh,  
I think I talk too much  
Ooh-ooh, ooh-ooh,

I think I talk too much  
Ooh-ooh, ooh-ooh,  
I think I talk too much
