

# Angelia – Richard Marx

Memories of you and me  
Tumble inside my head  
The way that we used to be  
Things that we said  
No one has ever  
Made me believe so strong  
You left me to wonder  
How did our love go wrong  
Angelia  
Where you running to now?  
Angelia  
Got to make you turn around  
I lay awake at night  
Wait for the sun to shine  
I still feel you next to me  
Your lips on mine  
Without a warning  
You made our love a lie  
You said you were sorry  
But you never told me why  
Angelia  
Where you running to now?  
Angelia  
Got to make you turn around  
Maybe my love is in vain Maybe  
You're the hurting kind  
Can't take no more of this pain  
I've got to get you  
Off my mind Tried to be what  
You wanted I gave you all I  
had You left me with nothin'  
Nothin' but a photograph  
Angelia  
Where you running to now?  
Angelia  
Got to make you turn

Around Angelia

Where you running to now?

Angelia Got to make you turn

around Angelia Where you running to now?

Where you running to now?
