

# Don't talk just kiss – Right Said Fred

Ooh yeah surrender me a kiss  
Let me loose on you  
Inch by inch  
The one and only reason is fun fun fun  
I said, "Well baby, we've only just begun"  
So don't talk just kiss  
We're beyond words and sound  
Don't talk just kiss  
And let your tongue fool around  
Oh, let's fool around  
Ooh yeah, there's people, there's love  
Now you and I, we both apply to the above  
The one and only reason is fun, fun, fun  
I said, "Well baby, we've only just begun"  
So don't talk just kiss  
We're beyond words and sound  
Don't talk just kiss  
And let your tongue fool around  
Oh, let's fool around  
Uh, were wasting precious time  
Don't talk kiss baby, and make it mine  
The one and only reason is fun, fun, fun  
I said, "Well baby, we've only just begun"  
So don't talk just kiss  
We're beyond words and sound  
Don't talk just kiss  
And let your tongue fool around  
Oh, let's fool around  
Surrender me a kiss  
So don't talk just kiss  
We're beyond words and sound  
Don't talk just kiss  
And let your tongue fool around  
So don't talk just kiss  
We're beyond words and sound  
Don't talk just kiss

And let your tongue fool around  
Oh, let's fool around
