

# Diamonds – Rihanna

Shine bright like a diamond  
Shine bright like a diamond

Find light in the beautiful sea  
I choose to be happy  
You and I, you and I  
We're like diamonds in the sky

You're a shooting star I see  
A vision of ecstasy  
When you hold me, I'm alive  
We're like diamonds in the sky

I knew that we'd become one right away  
Oh, right away  
At first sight I felt the energy of sun rays  
I saw the life inside your eyes

So shine bright, tonight, you and I  
We're beautiful like diamonds in the sky  
Eye to eye, so alive  
We're beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
We're beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
We're beautiful like diamonds in the sky

Palms rise to the universe  
As we, moonshine and molly  
Feel the warmth we'll never die

We're like diamonds in the sky

You're a shooting star I see

A vision of ecstasy

When you hold me, I'm alive

We're like diamonds in the sky

At first sight I felt the energy of sun rays

I saw the life inside your eyes

So shine bright, tonight, you and I

We're beautiful like diamonds in the sky

Eye to eye, so alive

We're beautiful like diamonds in the sky

Shine bright like a diamond

Shine bright like a diamond

Shine bright like a diamond

We're beautiful like diamonds in the sky

Shine bright like a diamond

Shine bright like a diamond

Shine bright like a diamond

Shine bright like a diamond

Shine bright like a diamond

Shine bright like a diamond

So shine bright, tonight, you and I

We're beautiful like diamonds in the sky

Eye to eye, so alive

We're beautiful like diamonds in the sky

Shine bright like a diamond

Shine bright like a diamond

Shin' bright like a diamond

Ohhh, yeah

Shine bright like a diamond

Shine bright like a diamond

Shine bright like a diamond  
Shine bright like a diamond
