

Needed Me – Rihanna

[Intro]

Mustard on the beat ho!

I was good on my own
That's the way it was
That's the way it was
You was good on the low
For a faded fuck
On some faded love
Shit, what the fuck you complaining for?
Feeling jaded, huh?
Used to trip off that shit I was kickin' to you
Had some fun on the run though I'll give it to you

But baby, don't get it twisted
You was just another nigga on the hit list
Tryna fix your inner issues with a bad bitch
Didn't they tell you that I was a savage?
Fuck ya white horse and ya carriage
Bet you never could imagine
Never told you you could have it

You needed me
Oooh, you needed me
To feel a little more, and give a little less
Know you hate to confess
But baby ooo, you needed me

You been rollin' around, shit I'm rollin' up
Light and roll it up
Break it down, like a pound, shit was never us
Shit was never us
That's the real, on the real, are you serious?
How you feel, how you feel?
Used to trip off that shit I was kickin' to ya
Had some fun on the run though, I give it to ya

But baby, don't get it twisted
You was just another nigga on the hit list
Tryna fix your inner issues with a bad bitch
Didn't they tell you that I was a savage?
Fuck ya white horse and ya carriage
Bet you never could imagine
Never told you you could have it

You needed me
Oooh, you needed me
To feel a little more, and give a little less
Know you hate to confess
But baby ooo, you needed me
