## All Time High - Rita Coolidge

All I wanted was a sweet distraction

For an hour or two

Had no intention to do the things we've done

Funny how it always goes with love

When you don't look, you find

But then we're two of a kind, we move as one

We're an all time high

We'll change all that's gone before

Doing so much more than falling in love

On an all time high

We'll take on the world and win

So hold on tight, let the flight begin

I don't want to waste a waking moment

I don't want to sleep

I'm in so strong and so deep, and so are you

In my time

I've said these words before

But now I realise

My heart was telling me lies

For you they're true

We're an all time high

We'll change all that's gone before

Doing so much more than falling in love

On an all time high

We'll take on the world and win

So hold on tight

Let the flight begin

So hold on tight

Let the flight begin

We're an all time high
