

Somethin' Stupid – Robbie Williams and Nicole Kidman

I know I stand in line until you think you have the time
To spend an evening with me
And if we go some place to dance, I know that there's a chance
You won't be leaving with me
Then afterwards we drop into a quiet little place
And have a drink or two
And then I go and spoil it all by saying something stupid
Like "I love you"

I can see it in your eyes that you despise the same old lies
You heard the night before
And though it's just a line to you, for me it's true
And never seemed so right before
I practice every day to find some clever lines to say
To make the meaning come through
But then I think I'll wait until the evening gets late
And I'm alone with you
The time is right, your perfume fills my head, the stars get red
And, oh, the night's so blue
And then I go and spoil it all by saying something stupid
Like "I love you"

The time is right, your perfume fills my head, the stars get red
And, oh, the night's so blue
And then I go and spoil it all by saying something stupid
Like "I love you"

I love you
I love you
I love you
