Angels - Robbie Williams

I sit and wait Does an angel contemplate my fate? Do they know? The places where we go when we're grey and old 'Cause I've been told that salvation lets their wings unfold So when I'm lyin' in my bed Thoughts runnin' through my head And I feel that love is dead I'm lovin' angels instead And through it all She offers me protection A lot of love and affection Whether I'm right or wrong And down the waterfall Wherever it may take me I know that life won't break me When I come to call She won't forsake me I'm lovin' angels instead When I'm feelin' weak And my pain walks down A one way street I look above And I know I'll always be blessed with love And as the feeling grows She breathes flesh to my bones An' when love is dead I'm lovin' angels instead And through it all She offers me protection

A lot of love and affection

Whether I'm right or wrong And down the waterfall Wherever it may take me I know that life won't break me When I come to call She won't forsake me I'm lovin' angels instead And through it all She offers me protection A lot of love and affection Whether I'm right or wrong And down the waterfall Wherever it may take me I know that life won't break me When I come to call She won't forsake me I'm lovin' angels instead
