Feel (acoustic) – Robbie Williams

Come on hold my hand I wanna contact the living Not sure I understand This role I've been given I sit and talk to God And he just laughs at my plans My head speaks a language, I don't understand I just wanna feel real love Feel the home that I live in 'Cause I got too much life Running through my veins, going to waste I don't wanna die But I ain't keen on living either Before I fall in love I'm preparing to leave her I scare myself to death That's why I keep on running Before I've arrived, I can see myself coming I just wanna feel real love Feel the home that I live in 'Cause I got too much life Running through my veins, going to waste And I need to feel real love And a life ever after I cannot get enough I just wanna feel real love Feel the home that I live in I got too much love Running through my veins, to go to waste I just wanna feel real love In a life ever after There's a hole in my soul You can see it in my face, it's a real big place Come and hold my hand I wanna contact the living

Not sure I understand This role I've been given Not sure I understand Not sure I understand Not sure I understand
