Something Stupid (Eng) – Robbie Williams, Nicole Kidman

I know I stand in line,
Until you think you have the time
To spend an evening with me
And if we find some place to dance,
I know that there's a chance
You won't be leaving with me
And afterwards we drop into a quiet
Little place And have a drink or two
And then I go and spoil it all,
By saying something stupid Like: I love you
I can see it in your eyes you still despise
The same old lies You heard the night before
And though it's just a line to you,
For me it's true
It never seemed so right before
I practise every day to find some
Clever lines to say
To make the meaning come through
But then I think I'll wait until
The evening gets late
And I'm alone with you
The time is right,
Your perfume fills my head, The stars get red
And oh the night's so blue
And then I go and spoil it all,
By saying something stupid Like: I love you
[instrumental do 1:59]
The time is right,
Your perfume fills my head, The stars get red
And oh the night's so blue
And then I go and spoil it all,
By saying something stupid Like: I love you
I love you
I love you
I love you

I love you
I love you
I love you
