Supreme - Robbie Williams

Oh, it seemed forever stopped today All the lonely hearts in London Caught a plane and flew away And all the best women are married All the handsome men are gay You feel deprived Yeah, are you questioning your size? Is there a tumor in your humor Are there bags under your eyes? Do you leave dents where you sit Are you getting on a bit? Will you survive? You must survive When there's no love in town This new century keeps bringing you down All the places you have been Trying to find a love supreme A love supreme Oh, what are you really looking for? Another partner in your life To abuse and to adore? Is it lovey dovey stuff Do you need a bit of rough? Get on your knees Yeah, turn down the love songs that you hear 'Cause you can't avoid the sentiment That echoes in your ear Saying love will stop the pain Saying love will kill the fear Do vou believe You must believe When there's no love in town This new century keeps bringing you down All the places you have been Trying to find a love supreme A love supreme

I spy with my little eye Something beginning with (ah) Got my back up And now she's screaming So I've got to turn the track up Sit back and watch the royalties stack up I know this girl, she likes to switch teams And I'm a fiend but I'm living for a love supreme When there's no love in town This new century keeps bringing you down All the places you have been Trying to find a love supreme A love supreme Come and live a love supreme Don't let 'em get you down Everybody lives for love Come and live a love supreme Don't let 'em get you down Everybody lives for love Come and live a love supreme Don't let 'em get you down Everybody lives for love Come and live a love supreme Don't let 'em get you down
