

I'll Be Your Baby Tonight – Robert Palmer & UB40

Close your eyes - close the door
You don't have to worry any more
I'll be your baby tonight
Shut the light - shut the shade
You don't have to be afraid
I'll be your baby tonight
Well, the mockingbird's gonna sail away
We're gonna forget it
Big old moon's gonna shine like a spoon
We're gonna let it - you won't regret it
Kick your shoes off - do not fear
Bring that bottle over here
I'll be your baby tonight
Be my baby
Be my baby
Be my baby
Be my baby
I'll be your baby tonight
Well, the mockingbird's gonna sail away
We're gonna forget it
Big old moon's gonna shine like a spoon
We're gonna let it - you won't regret it
Kick your shoes off - do not fear
Bring that bottle over here
I'll be your baby tonight
Be my baby
Be my baby
Be my baby
Be my baby
I'll be your baby tonight
I'll be your baby tonight
I'll be your baby tonight
